M-DCPS
YOUR BEST CHOICE

HOT OFF THE WIRE

Congratulations on a stellar academic year!

YOU, the Miami-Dade County Public Schools (M-DCPS) workforce, have dedicated this school year to our students and families—ensuring their safe arrival to schools, preparing nutritious meals, keeping classrooms and offices clean, safeguarding students and staff, delivering world-class instruction, managing community requests, leading our educators and supporting us all at the Region and District levels.

With your commitment, our school district has achieved among the highest test scores in the state and a graduation rate of 95.2%, the highest in our history. Thanks to **YOU**, M-DCPS provides the best **CHOICE** in public education with excellence, choice, innovation and safety in all our schools.

May you have a safe and fun-filled summer!

iLead

"iLead to engage and prepare STEAM students, so our community thrives with the next generation of inventors, explorers, innovators, artists and leaders."

— Cristian Carranza
Administrative Director
Division of Academics, STEAM

BODY & MIND

What's stopping you from being more physically active?

Too tired? Fit some physical activity into your routine starting as soon as you get up in the morning and spend a half hour or so doing something restful and relaxing after work. This can help you feel refreshed and give you the energy to be more active afterwards.

The last day of school is Thursday, June 5, 2025! All schools and Region and District offices will be closed Wednesday, June 19, in observance of **Juneteenth**.

ABOVE & BEYOND

Felicia Green is a registrar and community liaison specialist at Lindsey Hopkins Technical College. A 25-year veteran employee at M-DCPS, Ms. Green epitomizes customer service. Lindsey Hopkins students, staff and community rave about her patience, kindness, professionalism and welcoming attitude. M-DCPS is your best choice in educational excellence because of employees like Ms. Green.

Veterans of Excellence

M-DCPS once again bids adieu and godspeed to dozens of retiring employees. Your dedication to our district's families has helped make – and kept – M-DCPS the best choice in public education. Whether you've served at the school site, Region or District level, we thank you for your arduous work. Your shoes will not be easy to fill.

In this issue of Workforce Wire, we celebrate all our retiring employees and their journeys through their service to M-DCPS. Read a few of these journeys below.

Jorge Diaz

41 years

Mr. Diaz joined M-DCPS in 1981 as support personnel. A few years later, degree in hand, Mr. Diaz returned as an educator. He then became assistant principal and has served in that position at various school sites for the past 30 years.

Sybil York

43 years

Ms. York began her journey with M-DCPS in 1980 and, during that time, served 38 years as school secretary and treasurer at various middle and high schools. After a brief retirement, Ms. York came right back to serve for five more years.

Esperanza Martinez

28 years

Ms. Martinez joined the M-DCPS family in 1984 and served part-time for just over a decade before becoming a full-time ELA teacher. She has served in that capacity at the middle and high school levels for the better part of 30 years, since 1995.

Monsters?

Devon Aire K-8 Center received a visit from Mojo, the ClassDojo mascot, in honor of one of its students winning a design competition for ClassDojo's **2025 Monster of the Year**.

ClassDojo, an app that connects teachers and families through messaging, games, activities, instructional videos, and more, runs an annual **Monster of the Year** activity that allows students to design a monster they'd like to see come to life in ClassDojo games.

This year's winner, a third grader at Devon Aire, outshone more than 40,000 other submissions with **Glompy**, a color-changing, sparkle-throwing fluffball. ClassDojo honored the student winner with a schoolwide cupcake party, a visit from Mojo, and a \$3,000 scholarship for the student winner.
